

WESTMEATH (SUPPRESSION OF CRIME).

---

RETURN to an Order of the Honourable The House of Commons,  
dated 9 March 1871 *per*,

COPY "of a Resolution passed by the Grand Jury of *Westmeath*, at Spring Assizes, 1871, in reference to the SUPPRESSION of CRIME in that County."

---

THE Grand Jury of Westmeath, assembled at Spring Assizes at Mullingar, feel it incumbent upon them strongly to corroborate the assumption contained in the Motion which Lord Hartington has now before the House of Commons, to the effect that a certain unlawful combination and confederacy exists in Westmeath. They endorse this fact as well from their own experience as from evidence before them at the present assizes painfully confirmatory thereof. And they have further to state that all the measures hitherto adopted in this county for the suppression of agrarian and other crimes involving intimidation have proved wholly insufficient, and that an immediate remedy is urgently demanded for a state of things too truly described by Lord Hartington as intolerable.
